**January 5, 2021**

## **UPDATES FROM THE TOWN MANAGER**

Here are a number of updates specific to Lunenburg that will also be posted on the town website, town Facebook page, the “townwide” listserv, sent to the Lunenburg Ledger and to Public Access:

### COVID-19 in Lunenburg:

The Board of Health issued their weekly update and the cumulative laboratory confirmed number of COVID-19 cases reported to the Town is 381 as of January 1st and one death. The State report shows 355 as of December 29<sup>th</sup>. This is an increase of 49 cases from the previous week. The COVID-19 Information Center page can be found [here](#).

### First Responder Vaccination Clinics:

The Nashoba Associated Boards of Health has taken advantage of an opportunity offered by the Department of Public Health to set up a COVID-19 vaccination clinic for first responders within the district. Approximately 200 first responders within the district will be able to get vaccinated at the Boxborough Regency Hotel at the end of January for their first dose.

The State has also rolled out locations for first responders to get vaccinated across the Commonwealth. Information on vaccination can be found on the state website at: <https://www.mass.gov/covid-19-vaccine-in-massachusetts>
